

The Ultimate Value is Performance

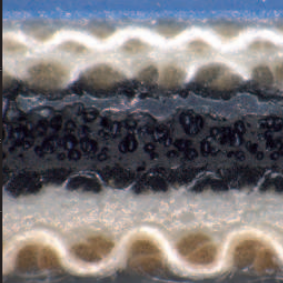

Supanews FN-400V

High Performance Newspaper Blanket

The FN-400V is a new generation "neutral-negative" feed blanket designed to deliver vibrant 4 color print quality on high-speed double-width newspaper presses.

■ Outstanding Durability and Long Life

Using specially formulated "*anti-swell*" surface compounds and a robust new "*low-sink*" carcass, the FN-400V provides a high level of durability and endurance to ensure trouble free production and long life
