

PolyBlanket

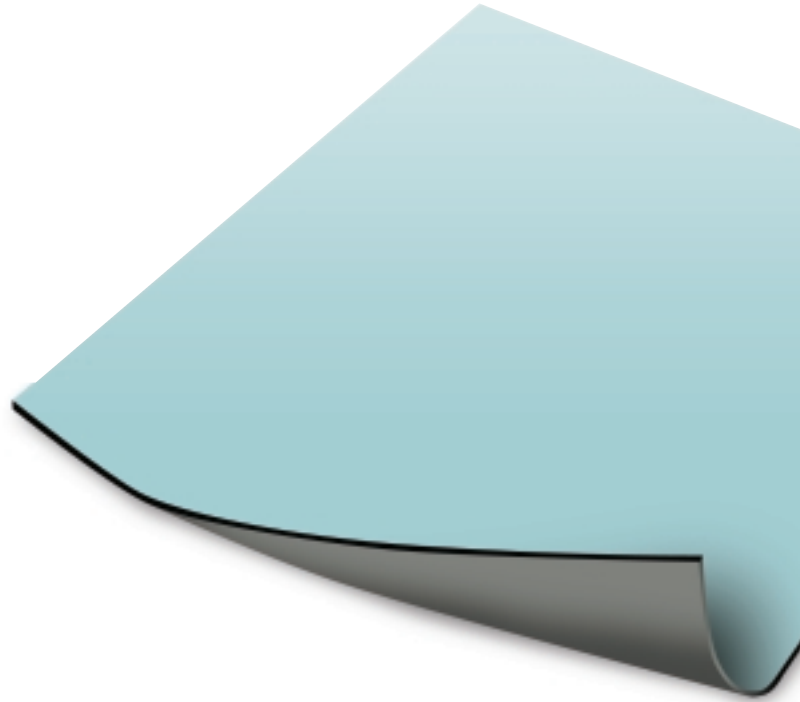

Offset Blankets

The Most Versatile And Easy-To-Strip Reusable Coating Blankets

MacDermid PolyBlanket coating blankets are press-ready polymer blankets specifically designed for flood coating and knockouts.

Our **PolyBlanket** blankets feature an advanced polymer surface able to be cut by hand or CAD systems but durable enough to be stored and reused. Crafted for superior transfer of aqueous coatings, MacDermid PolyBlankets offer you the flexibility of bi-directional mounting and a translucent surface for easy offline cutting. And as a polymer coating product, expect it to increase cost efficiency and productivity versus a trade shop plate.

For versatile and re-usable polymer blankets, count on the company that says "Yes We Can." MacDermid.

Key Features

- Superior transfer of aqueous coating
- Available as polymer or adhesive backed
- Bi-directional mounting

Segments

Sheetfed
