Innovative Surface Reduces Piling And Ensures Long Life

MacDermid Resolute printing blankets are the right solution for printers that require quick release, reduced piling and simple, fast cleanup.

Our **Resolute** blankets boast a technology-driven buffed surface, and are constructed on a resilient and durable, compressible fabric-over-foam carcass for consistently high print quality over a long stable life. MacDermid Resolute printing blankets' uniform gauge and consistency provide smooth, even printing across the entire printing surface, while the advanced rubber surface formulation ensures outstanding dot resolution on all of your printing applications.

For durable web and sheetfed blankets, count on the company that says "Yes We Can." MacDermid.
