

# Vulcan<sup>®</sup> 101

A New Blanket  
Specifically Designed  
for the Sheet Fed  
and Slow Web  
Markets

**REEVES**  
BROTHERS, INC.

# VULCAN® 101

## Return to the Basics

### Features

- Proven Vulcan Printing Face
- Newly Engineered Buffed Face Finish
- Innovative Construction

### Benefits

- Prints high-density solids.
- Promotes excellent release. Ideal texture for printing dense solids. Ensures true dot reproduction.
- Ensures on-press stability. Offers improved smash resistance. Resists "sinking" and stretch.
- Compatible with a wide range of paper stocks and sheet widths.

### Technical Specifications
